Re: QAPP Addenda  
Blackwell Forest Preserve Landfill, DuPage County, Illinois

Dear Mr. Bellot:

On behalf of the Forest Preserve District of DuPage County (FPD), I am enclosing two copies of the following documents;

- Revised pages to Quality Assurance Project Plan (QAPP) Addendum No. 5. These pages were modified in response to the comments in the U.S. EPA's March 23, 1998 letter;
- QAPP Addendum No. 6. This addendum revises Sections 1, 2 and 3 of the April 1996 QAPP for Pre-Design Investigative Activities. These sections were also modified in response to the comments in the U.S. EPA's March 23, 1998 letter; and
- QAPP Addendum No. 7. This addendum was prepared to provide additional quality assurance and quality control procedures, and analytical methods for the proposed natural attenuation study.

Please call me at (630) 691-5000 if you have any questions or comments about the attached QAPP revisions and addenda.

Sincerely,

MONTGOMERY WATSON
